## **Olympiad Results**

*by Dick Early*

Olympiad IV was held in Independence, Ohio on August 20 and 21. I am sad to report that only four units sent representatives. However, those who did attend were very competitive. For the third year in a row the Cleveland Unit won the Olympiad Trophy. A two man team from Buffalo finished in second closely followed by Akron and Pittsburgh.

In Saturday's first session the Gold Medal was won by a new partnership of **Kyra Hayn** and **Don Moyer** from the Akron Unit. The Silver went to **Lynn Nosse** and **Barbara Zink** and the Bronze to **Barbara McKinney** and **Elisabeth Alexander**.

In Saturday's second session the Gold went to **Donald Barrick** and **Edith Dus-Garden** of the Cleveland Unit. The Akron partnership of **Dora Rump** and **Jim Pivarski** won the

Silver followed by **John Ricota** and **Dian Petrov** of Buffalo winning the Bronze.

On Sunday another Cleveland partnership of **Philip Macfarlane** and **Mark Niemi** won the Gold (clinching the Trophy). The very consistent partnership of **Ricotta** and **Petrov** from Buffalo won the Silver followed by previous Bronze Medalists **Elizabeth Alexander** and **Barbara McKinney**.

Flight B and C players (not in the medal category) earning Olympic Points included **Gayle Singer** and **Vivien Sevin**, **Judith Perman** and **Betty Nesbit**, **Steven Wolotsky** and **Lansing Fake**, **John Viola** and **Constance Bogan** and **Carole Shanahan** and **William Seran**.

## *More on the Olympiad*

The partnership winning the most Olympic Points earned the MVP Trophies. Those trophies were clearly won by **John Ricotta** and **Dian Petrov** from Buffalo. Not only did they win medals in two events, but they also finished first in Flight B just out of the medals on Saturday Afternoon (winning Olympic Points also) finishing fourth overall. This was a very consistent performance and well deserving the MVP trophies.

I want to give a special thanks to **Sharon Fairchild** for her many behind the scenes endeavors and for her assistance on Saturday. I also thank my wife, Monica, for her assis-

tance on Sunday. As usual, **Dick Rasmus** and **Steve Vrooman** did an outstanding job in directing and keeping track of the trophy race. Can you believe it that **Dick Rasmus** duplicated every hand played during the weekend and provided hand records and transparencies for hand analysis? WOW!!! Thanks, Dick!

The next Olympiad will be held in 2007. I hope all of the units work hard in producing teams of representation for Olympiad V. We all had fun this year and I hope I was able to shed some light on the game for all in attendance.

*Congratulations to all.*

## **Tri-County Themes** *by Alex Bealles*

Congratulations and many thanks to all of you Unit 229 members who made our July sectional a great success. Attendance was up considerably over the previous two years and nearly all the comments were complimentary. The wonderful homemade appetizers and desserts garnered much of the praise. Some unit members also had bridge success at the tournament. **Nancy Welsh, John Kristufek** and their partners finished first in Flight B in the Sunday Swiss Teams.

Belated kudos also to several players who did well in Cleveland and Greensburg. In Cleveland, **Doris Hess** and **Marlene McConnell** finished first in B in the Wednesday Stratified Open Pairs. Marie Fanning and **Helen Greenberg** finished second in B in the Friday afternoon pairs in Greensburg, while **John Kristufek** and his partner tied for first in B Friday night.

Because of the sectional, our July Unit game was cancelled. In August, however, **Jane Crowley** and **Iola Croner** were first overall in a well attended game.

The week of August 7 was an exciting but unlucky week for Unit 229 games. On

Monday evening in Ellwood City, a burning smell caused the game to be cancelled after five of seven rounds. To make matters worse, it was a membership game with a larger than usual attendance and a pizza party scheduled for the end of the game. Nobody went home hungry, though, thanks to a kind neighbor who allowed the players to eat in her kitchen and living room. The Thursday game in Butler also had some excitement. Halfway through the game, a driver lost control of her vehicle and crashed into two of the players' cars parked in front of the building. Even though extensive damage was done to both vehicles, both players elected to finish the game. Before the crash, there was also excitement inside as a bat entered an open window and circled the players several times before disappearing into other parts of the building. Let's try to confine our excitement to great bridge plays for a while, okay?

Upcoming news in the next issue will include the results of the Pittsburgh Regional, the summer Unit board meeting and the New Partnership Game in Butler. If you have any news you would like reported, write to me at [mjbalex@aol.com](mailto:mjbalex@aol.com). Until next time...

# Pittsburgh Potpourri

by *Mary Anne McNeirney*

It is 90 degrees and the Steelers are hopefully in the process of winning their first game of this season. We have truly had a long, hot summer. It is my earnest hope that the fall will be soon coming, although the heat has had very little effect on our bridge games. Only two of the sites I attend lack air conditioning, so the games went on as usual, except for our summer sectional. I wish I could be telling you that it was cancelled because the air conditioner at the site broke down. Instead, I must report that we discovered on Wednesday of the week of the tournament that we had no site. We offer all of you who had planned on attending our sincere apology and assure you that our Board will insure it never will happen again. The Board especially thanks **Mary Carns** and **Bill Holt** for their successful efforts in notifying the area players that the sectional had been cancelled. Fortunately, only six people came to the scheduled site; they were directed to the local club games available. All of them were from the Pittsburgh area. We were so glad that no out of town players made a fruitless trip.

Our fall sectional will be outstanding. **Vince Simak** is in charge; consequently, we can absolutely count on tremendous hospitality, superb organization, and unstinting effort to make every player delighted that they came to the event. It will be an extravaganza. Vince will be ably assisted by **Ron Franck**, **Marcella Rettetagos**, and **Asim Ulke**. Plan to come to the West Mifflin Holiday Inn Express November 11, 12, and 13 to enjoy our party.

As usual, the Butler and Wheeling Sectionals were fun to attend. The members of both units went all out to welcome players to the games. The hospitality at both sectionals was generous and varied. Homemade cookies, candies, salads, deviled eggs, and other treats donated by their unit members turned both sectionals into festivals. Our thanks to **Alex Bealles** and his committee in Unit 229 and to **Barry Boyd** and his committee in Wheeling

for affording us these opportunities for fun and points.

Our players did gather points at both tournaments. In fact the leading point attainer at both tournaments was **Arlene Port**. Her Swiss Team, consisting of fellow Pittsburghers **Fred Schenker** and **Margery Tamres**, and Ohioan **Dan Roseberry**, won at both also. In Butler, every event had at least one winner from Pittsburgh. In the Saturday Afternoon Open, **Connie Hoechstetter** and **Sue Lordi** won Flight A, and **Marian Myers** and **Kitty Jo Halloran** led Flight B. In the Saturday Evening Open, **Frank Cymerman** with Ohioan **Ken Kranyak** won Flight A, while **Bunny** and **Phil Miller** won both B and C. At Butler, 12 of the first 15 point-gatherers were Pittsburghers. In Wheeling, we were not so awesome. Only 9 of the first 15 were from our Unit 142, and only 3 of the 4 other events had Pittsburgh winners. **Sue Lordi** and **Jane Marshall** won the Friday Open, with **Darlene Mannheimer** and **George Retos, Jr.** taking Flight B, the Friday evening Open had **Art Bonneau** and **Mary Lou D'Altorio** taking second in both A and B Flights. In the Saturday Open, **Jack Brucker** and **Bettie McElhaney** were first, and **Sylvia Shaw** and **June Puskarich** were second. Both these pairs are from the Little Washington clubs. In the evening pairs, **Ron Franck** and **Jane Marshall** won, and **Judy Haffner** and **Arlene Port** took second.

Unit 229 has been having but not enjoying a week of excitement at their clubs. On Monday, the Elwood City game players had to evacuate their club site because of a fire scare.

On Thursday, at the Butler Game, several cars were hit by a drunk driver (caught by the police, as she tried to flee the scene) **Judy Ludwig's** car was totaled. In both cases, the games got in.

As I write this, my wish is to see you all at the Labor Day Regional. Hope it came true!

# Unit 111 News

By Cathy Marsteller

June 28 was the day we lost another great friend & bridge player. **Mary Lou Teachout** will be missed. Our sympathy to her friends & family.

We have added a couple of new bridge players to our unit. **Shirley & Bill Schaffer** have returned to the area after living in Tennessee for 12 years. They used to play at the Westside Club when it was in the basement of the bowling alley. We all have come a long way since then! Welcome back!

**Agnes Heard** has made the big times! You can find her name & read all about it on page 27 of the July Bridge Bulletin. Not many of us get to see our name in there. When staying in Florida (yes, she is a snow bird), she played in the ACBL-wide charity game. She paired up with a partner from N.J. and had a 69.10%. This was enough for a great finish – the 10th top finisher in the US had a 69.35%. Great job Agnes – I knew you had it in you!

**Sandra & Bill Lippy** have been "itching" to get some more points so off they went to the NABC in Atlanta. They got a good "scratching" there to the tune of over 10 points.

We had several winners at the Lake Cable tourney in June. **Bern Olmstead & Lynn Rafferty** were 2nd in the Friday Night Pairs. They also teamed up with **Vern DeJong & Chet Mody** and were 2nd in the KO's & also 3rd in the Sunday Swiss. **Donna & Chuck Coleman** were 2nd in the Saturday Evening Open Pairs. Don't fret – we did have someone come in 1st. **John Jacobs & Bill Griffiths** were 1st in C & 2nd in B.

Our July unit game was well attended with 10 1/2 tables. Winners N/S were **Paul**

**Neidlinger & Bill Orton** followed by **Brenda Merkich & Chet Mody**. The E/W winners were **Marilyn Entzi & Lynn Rafferty** followed by **Fran Egger & Maureen Irwin**. In strat B the winners were **George & Kalina Braun** followed by **Andrea Leonardi & R. Carter**.

At the Butler tourney in July, **Carl Hamill & Joe Dragoun** were 3rd in the Saturday Evening Open Pairs. **Kalina & George Braun** were 4th in C.

At the Solon tourney in August, **Donald & Susan Huber** were 1st in C & 2nd in B. **Bradley & Kathleen Sevcik** were 1st in C in the Saturday Morning 299ers. **Robert Carroll & Andrea Leonardi** were 5th in the Flight C Pairs.

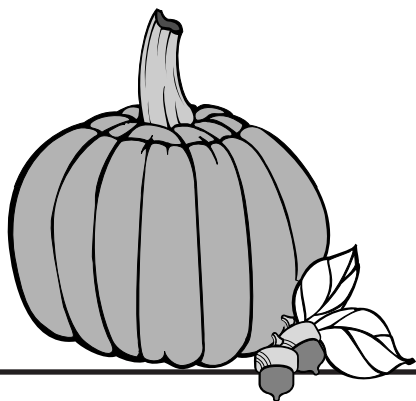

On August 16th, the Warren bridge club said goodbye to a player who is about to embark on her life's dream! **Mary Ann Sukonik** has wanted to go to medical school for as long as she can remember. She raised her daughter who graduated from college last year. She has worked as a medical transcriber & has been taking extra classes for years to prepare for the day she could enter medical school. That day has arrived. Mary Ann & her daughter are selling everything & relocating in Florida. Mary Ann will then be living in the West Indies for the next couple of years while attending medical school. I know she will make a great doctor. We are all very proud of you for not giving up, and for pursuing your dream. Happy studying & keep us posted!

The more I finesse the more I realize there is a 50-50-90 rule. Anytime you have a 50-50 chance of getting something right, there is a 90% probability you will get it wrong!

# Canton Connection

By John Tscholl

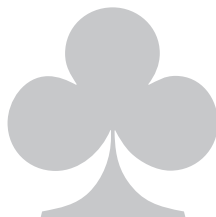

One of my favorite regular partners is the indomitable **Betty Tatum**. I am somewhat jealous of the enjoyment and pleasure Betty has obtained from her bridge experiences. Betty has been a bridge director on cruises for the last 25 years and has visited and toured virtually every country in the world worth seeing in that time span. She doesn't do as many cruises as she used to, but she is getting ready to leave for a month to tour Norway, Sweden, the Riviera and other calls of port in what she describes as "nice places to visit".

We defended the following hand at a recent local game:

<u>N</u>		<u>W</u>	
♠	A J 9 6 2	♠	10 8 7 5 4
♥	10 7	♥	6 4 3
♦	K Q 7	♦	9 6 4 3
♣	J 6 4	♣	5
<u>S</u>			
♠	K		
♥	K Q J 5 2		
♦	A J 10 2		
♣	K Q 9		

Against declarer's four heart contract, I got off to the lucky lead of the Ace of clubs. Betty ruffed my club seven play at trick 2 with the six of hearts. Reading my return perfectly as neither being high (spades) nor low (diamonds), Betty returned the three of hearts to my Ace for another club return and heart ruff to set declarer one vulnerable trick on a hand where the field was making five no-trump.

Just in case you don't know you are living in 2005.....here are a few hints:

1. You accidentally enter your password on the microwave.
2. You haven't played solitaire (or bridge) with real cards in years.
3. You can't bid without boxes.

4. You e-mail the person who works at the same place you do.
6. Your reason for not staying in touch with your family and friends is you don't have their e-mail address.
7. You pull up in your driveway and use your cell phone to see if anyone's at home.
8. You start tilting your head sideways to smile. :)
9. You're reading this nodding and laughing.
10. You are too busy to notice there was no number 5 on this list.
11. You actually looked back to check that there was no number 5.

NOW YOU ARE LAUGHING and wondering who to send this to.

Dr. George Essig of Westlake, Ohio, son of Dr. Henry and Grace Essig, passed away recently. He was an up-and-coming bridge enthusiast, often found playing with his dad at many area bridge clubs and tournaments. In the short time he had been playing, George had achieved the rank of Sectional Master. He was 2nd in his category in the Ace of Clubs competition. His many friends donated funds to the Cleveland Whist Club's Scholarship Fund, which will be awarded as the Dr. George Essig scholarship at the Summer Sectional in 2006. If you would like to contribute, please contact Donna Largent 216/267-5448. Since he played often at The West Side Bridge Club, the Club is matching your donations. George was a very quiet, likeable person, always polite at the table. He will be missed.

Fall is in the air and the summer sectionals are over. Unit 185 had the Horseshoe Curve Sectional in Altoona on July 30 and 31. The food, hospitality, and bridge were fantastic. Our unit's members who were in the overalls on Saturday afternoon were **Nancy Popchak** and **George Kury** 4A, **Jeanine Fagley** and **Jean Green** 2B with **Barbara Marinak** and **Othella Anderson** 4B. **Perry Flaugh** along with his son Matthew were 3C with **Pat Reynolds** and **Rhoda Zdravecky** 4C. In the evening session, **Nancy Popchak** and **George Kury** were 3A, **Rhoda Zdravecky** and **Pat Reynolds** were 6A/1B/1C, **Barbara Marinak** and **Othella Anderson** 2B, **Jean Keller** and **Helen Gorsuch** 3B/2C, **Newton Taylor** and **John Bowser** 3C and **William Jillard** and **Christina Jillard** 4C.

In the Sunday Swiss Teams of the Horseshoe Curve Sectional, 1st in Flight B went to **Jean Keller**, **Helen Gorsuch**, **Akbar Samii**, and **Brian Patterson**. Flight C winners and runner-ups in B were **John Bowser**, **Newton Taylor**, **Peggy Gutshall** and **Linda Truesdell**.

The top 10 masterpoint winners for our unit in the Horseshoe Curve Sectional were:

1.	<b>George Kury</b>	6.70 mps
2.	<b>Nancy Popchak</b>	3.61 mps
3/4	<b>Helen Gorsuch</b>	3.06 mps
3/4	<b>Jean Keller</b>	3.06 mps
5/6	<b>Othella Anderson</b>	3.04 mps
5/6	<b>Barbara Marinak</b>	3.04 mps
7/8	<b>Newton Taylor</b>	3.02 mps
7/8	<b>John Bowser</b>	3.02 mps
9/10	<b>Rhoda Zdravecky</b>	2.92 mps
9/10	<b>Pat Reynolds</b>	2.92 mps

The Greensburg Sectional was held in June and there were some Unit 185 future Life Masters who did well. On Saturday, in the Open Pairs, **Mary Moran** and **Beatrice Stevens** had a 3C in the afternoon and a 4C in the evening session. The 199ers showed

**Helen Hettle** and **Audrey Martin** 2D/2E in the afternoon and 4D/2E in the evening. **Sally Jordan** and **Leida Milazzo** were 3D/3E on Saturday afternoon. **Leida Milazzo**, playing with a team that was formed at the partnership desk, was 8A/3B/1C in the Sunday Swiss.

In June, District 5 held STaC sectional tournament. The Johnstown Monday evening bridge game was entered and had some overall winners. **Emma Jane Custer** and **George Zdravecky** were 5A/2B, **Mardy Mullen** and **Vivian Benschoff** were 4/5B, **Herb Allen** and **Dave Livingston** were 1C and with **Jim Kirkstadt** and **Leida Milazzo** 3C.

Another bit of news about our unit's winning pairs, **Carl Hurd** and **Jean Green** had a 61.63% in the Wednesday evening, June 15 Inter-Club Championship Game. That was good enough for 10A/5B in that event.

We had a few of our new members that moved up in rank since the August bridge article and they were:

To Junior Master

1. **Anna Magee** – Altoona
2. **Jim Kirkstadt** – Johnstown
3. **Sally Jordan** – Johnstown
4. **Leida Milazzo** – Johnstown

To Sectional Master

1. **Helen Hettle** – Johnstown

The last Unit 185 bridge item that I want to report is about the Quip Report for the period ending June 30, 2005. It stated that Unit 185 member's had the youngest average age in the district and that we also held the most average years of ACBL membership in the district. I think that's pretty impressive. Have a nice fall, and keep looking for those 70 % games.
