## *Ann McGilvrey Award*

It is time to propose candidates for the prestigious McGilvrey Award for sportsmanship and ethics. This award honors a District 5 player, or in some cases a pair, who epitomize(s) ethical behavior and good sportsmanship at the bridge table. On June 8, 1973 the District V bridge community suffered the loss of **Ann Lytle McGilvrey, Ralph Vichill** and **Lee Coito** in a tragic boating accident. In honor of Ann's memory, and her reputation as one who exemplified the highest standards of sportsmanship and ethical behavior at the bridge table, the Board of Directors of District V instituted the Ann McGilvrey Award. It is presented at the May regional each year to a player or partnership who reflects those same positive qualities. These recipients are not chosen on the basis of service or bridge ability. Only past winners are invited to participate in the selection process. Typically the selection committee will look for someone who has established a district-wide reputation for active ethics and good manners. Here is a list of previous winners, with the year if known:

William Babb	1991 Arthur Goldsmith
Kay & Richard	1992 Judi Sonon
Barbaris	1993 Marvin Melamed
Gail Carnes	1994 Joe Dragoun
Irene & Jeff Darrow	1995 Richard Early
Robert Freedman &	1996 Sharon Fairchild
James Mathis	1997 Jan Assini &
Harry Ganelin	Nomi Connell
Julia Halloran	1998 Alice Lind
Keyla Lawton	1999 Roni Gitchel and
Grace Moore	Tom Wolstoncroft
Woody Van Court	2000 Howard Lebow and
Joyce Wade	Mary Paulone Carnes

1986 Elmer Schwartz	2002 Alice Williams
1988 Richard	2003 Sandra Fleischman
Fleischman	2004 Pat Rasmus
1990 John Toy	2005 Jim Reeve

The deadline for submitting nominations is May 15, 2006. Please send nominations, with supporting material, to Jim Zimmerman, 20699 South Woodland Road, Shaker Heights, OH 44122. The 2006 winner will be announced at the All-American Regional in May.

# Allegheny Mountain News *by Bud Kury*

A new year has begun and 2006 has exploded throughout our Unit 185. Last year, most of our unit's club games were up in attendance from 2004. This was due to the bridge lessons that were given in Altoona and Johnstown. Altoona's **Rick Jillard** had classes at the local YMCA and other locations in the Blair County area. **Rhoda Zdravecky** and **Bud Kury** had bridge lessons at county clubs, senior activities centers and other places in Johnstown in 2005. Plans have been made for other classes and teaching games in 2006.

In our unit, some new players have made an impact on the masterpoint rankings. **Leida Milazzo** and **Jim Kirkstadt**, both of whom are in the Rookie Class, and **Helen Hettle**, who started the year as a Club Master, are doing well in both the Mini-McKinney and the Ace of Clubs contests. Not only are they on top in our Unit 185 races but they're all also ranked at this time in the District 5's Mini-McKinney and Ace of Clubs.

During each year, the ACBL issues a report on the progress of each unit's membership. This is called a Quip Report and it gives the information for 6 different categories for each unit. These 6 categories and how Unit 185 did in each are:

## **(A) Active Membership Trend –**

Over the last 12 months we lost in overall membership. We were 10th out of the 13 units in our district.

## **(B) New Members Gains –**

Our unit did quite well in this category; this last year Unit 185 signed up 6 new members, which was 3rd in District 5.

## **(C) Member Losses –**

We were last in the district for the most members lost.

## **(D) New Member Retention % in Year 2 –**

Unit 185 was 4th in our district.

## **(E) Average Member Age –**

We are the second youngest in District 5; the average age of the members in our unit is under 66 years old.

## **(F) Average Years of ACBL Membership –**

This category is the best for Unit 185. Our unit has the most years of ACBL membership per member at almost 23 years per member.

The Allegheny Mountain Unit #185 will hold a 299er Sectional Tournament on Saturday, April 22, 2006. This tournament will be a 2-session, morning and afternoon event and will be held at the Comfort Inn in Johnstown. I hope all our members will plan to attend. If you want to win silver masterpoints, be there.

*Keep on trying for those 70% games!*

# Canton Connection *by John Tscholl*

Congratulations to Canton's two newest Life Masters, **Marilyn Hurin** and **Jean Friedman**. Congratulations are also in order to **Jim Overcashier** and **Dan Roseberry** on their recent 2nd place finish in the District Grand National Pair Game. Dan and Jim won a free trip to the Finals to be held in Dallas at the Spring Nationals.

Here's Dan in action in a five club contract:

	N	
	♠ 10 6 3	
	♥ K 7 4	
	♦ Q J 10 8	
	♣ K 8 4	
	W	E
♠ A Q J 9 4		♠ 7 5
♥ A Q J 8 5 2		♥ 10 9 3
♦ ---		♦ K 7 6 5 4 3 2
♣ 9 3		♣ 7
	S	
	♠ K 8 2	
	♥ 6	
	♦ A 9	
	♣ A Q J 10 6 5 2	

After a lively auction and the opening lead of the ace of hearts, Dan observed that he had a spade problem, as West had opened the bidding one spade virtually guaranteeing that the spade Ace sat behind the King. Dan solved his spade problem in a most unusual fashion by using his Ace of diamonds for a brief moment then jettisoning it when it was no longer needed. At trick two, East shifted to a trump won in hand, and a trump was returned to dummy. The Queen of diamonds was successfully finessed as East refused to cover with the King. The King of hearts was now cashed on which Dan pitched the no longer needed diamond Ace and Dan continued with a diamond from dummy. No matter which way the defense squirmed Dan now had 11 tricks.

He scored seven clubs, three diamonds and a heart to bring home the bacon and cinch a spot in Dallas. With play like that Dan and Jim appear to have a bright future at the Nationals.

# Bison Bits – News from Unit 116 *by Jay Costello*

This column will be, of necessity, somewhat short, as I found out that I would be writing the 5th Column for our unit the night before I left on a cruise. Unfortunately the deadline for this issue was the day before I returned. The result is that recent rank changes will be deferred to the next issue of 5th Column. All news, complaints, or suggestions can be sent to me at [jaycostello02@hotmail.com](mailto:jaycostello02@hotmail.com).

I do need to point out that the recent NAOP winners in district 5 (reported in the December issue) were all from our unit. Way to go!

One of the NAOP flight A winners, **Dan Gerstman**, also teamed up with **John Toy** to win the 27 table mid-December Unit Pairs Championship (flight A) with a 73% game. Other winners included **Mike Ryan** and **Bob Feasley** (flight B) and **Rita Sierocinski** and **Fran Kurtz** (flight C). In the 0-499er game, **James** and **Paula Jones** took top honors in all 3 flights with 70.54%

# Whistfully Yours

by *Bev Carter*

We say a sad goodbye to **Sue Conrad** who has been serving on our Unit Board. Due to other commitments, Sue will be leaving us. She will be replaced by **Chantal Whitney**, who ran for the Board last term and was the candidate with the next highest number of votes. Chantal will take over the rest of Sue's term. We welcome her and know she will have good ideas for our Unit.

As mentioned in the last article, elections will be coming up at our March Sectional for five new Board members. **Lou Allen, Peter Miller, Gary Montain, Wayne Ward and Cathy Wolford** will be leaving at the end of their terms. Please thank them for their dedication and service when you see them. They will be missed. If you know of someone, including yourself, who would like to serve on our Board, please contact any of the aforementioned individuals, or any other Board member, to be listed on our ballot. Elections will be held at our March Sectional at the Solon Party Center, March 17th through the 19th. Applications are due no later than February 15th.

The Cleveland Whist Club has been hosting future master seminars over the past few months at St. Michaels Woodside. Topics covered have been: How to Win at Team Games, Competitive Bidding Strategy and How to Defend. 8 tables participated in the Team Game which followed that seminar, and there were 5 tables in play at each of the other two lessons. Prepared hands pertinent to the lesson were utilized during the pairs game and a hand analysis sheet was distributed afterwards. Participation is limited to 299rs for these events. Since they have been so well received and we have heard some very complimentary comments, we plan to continue hosting them. It was decided by the participants to postpone the next seminar until after the winter weather has departed, so we anticipate the next one to be mid-March or early April. We will update you on date and time as soon as it is set up.

We are happy to announce that **Martha Wilk** of Willoughby, **Janet Rice** of Cleveland and

**Dorothy Piovano** of Medina have recently become Life Masters and that **Al Freeman** of Cleveland and **Gary Montain** of Westlake have progressed to Silver Life Master. **Audrey Schultz** of Cleveland has reached the Bronze Life Master Category, and **Jan Assini** of Aurora has become a Diamond Life Master.

Other rank changes are: **Larry Combs, Carol Davis, Isabelle Heinen, John Hibshman, Joan Holler, Harry Keagler, Layton Kest, Joy Maughan, Albert and Elizabeth Koontz, Mary Meldrum** have reached Junior Master status. **Melinda Berke, Florence Goodman, Barb Peterman, John Plucinsky, Judy Santora** and **Judy Spooner** are now Club Masters. **Betty** and **John White** are Sectional Masters. **Tom Balke, Chuck Bisesi, Jane Black, Marilyn Doman** and **Dorothy Rendlesham** have reached Regional Master and **Phil MacFarland, Dexter Schleusener** and **Chantal Whitney** are new NABC Masters.

*Congratulations to all these achievers!!!*

For those of you who picked up the Whist Club Schedule of Games for 2006, there was an error on the February 22nd date. It is a Vichill League Night, so please correct your copy. For those of you who did not pick up a schedule and would like to play at our Unit Game, you can check our website: [whist-club.org](http://whist-club.org) for the schedule of all our events. For those of you who don't have access to the internet, March 1st, 8th and 22nd are pair games, the 15th is Vichill League Team Game Night, and the 29th is a Unit Club Championship. In April, we are hosting Charity Games on the 5th and 19th and a Unit Club Championship on the 12th. Our final Vichill League Night will be the 26th. If you haven't attended our game, give it a try. Partners are available if you come without one, and we guarantee a friendly, social evening. Play starts at 7:15pm at St. Michael's Woodside, 5025 Mill Road, just off the I-77 and Wallings Road exit.

I know this is early, but be sure to save Sunday, May 7th as the day to attend our

annual Unit Dinner Meeting and Charity Game at St. Michael's Woodside. We have had nothing but rave reviews on this event in the past and this year's promises to be one of the best. Meantime we'll see you at the Sectional in March.

Ran into a teacher friend of mine who was telling me about one of her kindergarten stu-

dents. She asked him if he knew his numbers. "Yes, he said. My daddy taught me." OK said the teacher. Let's see what you know. What comes after 3? "Four said the little boy." Good job said the teacher. Now what comes after 6? "Seven said the boy." Here's a really hard one, said the teacher. What comes after 10? "Jack, said the boy!" Betcha he'll be a bridge pro by age 10!

**The Bridge World lost one of its finest recently. On December 21st, Patrick Spooner, known as a fine director, dedicated bridge instructor, hospitality chairman at our tournaments and an exceptional bridge player, unexpectedly passed away. He had recently reached the rank of Gold Life Master in the ACBL.**

**The Unit has established a scholarship in his name to be presented in August at the Sectional held in Solon. If you would like to contribute, send your donation to the Scholarship Fund, c/o Donna Largent – 19404 Hipple Ave – Cleveland, Ohio 44135. Please mark it in memory of Pat Spooner.**

**He will be greatly missed by all!**

## District Director's Report December 2005

Denver in the fall proved to be delightful! All the playing space was at the Adam's Mark Hotel. Restaurants were plentiful and transportation up and down 16th Street was free and ran frequently.

At the Board of Governor's meeting, President **Roger Smith** announced that **Roni Gitchel** would be one of two people receiving the President's Volunteer Medal at the Goodwill Meeting in Dallas in the spring. This award recognizes volunteers that go above and beyond in service to bridge. This is only the second year that this has been awarded. I think we can all agree that Roni is a perfect candidate!

The results of this year's elections were certified. For District 5 **Mary Paulone Carns**, **Brian Ellis** and **Brian Meyer** were elected to the Board of Governors. Their new terms commence January 1, 2006. *Congratulations to all of them.*

Membership is steady, but the expenses keep going up. ACBL is projecting a large deficit this year (2005). We have consciously spent more on marketing than we have in the past. Some of those things are being pared back, but the bottom line is that fees are going up in 2006.

Rating point games will go from \$.65 to \$.74 on 4/1/06.

On 1/1/06 the following will go up:

- Stack Fee up \$.30 to \$2.72
- Progressive Sectional (qualifying) from \$2.65 to \$3.04
- Sectional Surcharge increased from \$110 to \$135
- Tournament Director Fees increased by 7%
- Supply Fees increased from \$.85 to \$.95
- Tournament Assistant test fee increased from \$25 to \$50
- NABC entry fees increased \$1.50 per session

There were 3 sites proposed for future NABC's. We will be going to Memphis in the spring of 2012 to celebrate 75 years as an

organization. Plans are underway to make this a very special event. We will be returning to San Francisco in the fall of 2012 and this package came with some real savings for the NABC in San Francisco in 2007. An NABC in Montreal in the fall of 2013 was rejected because the package would require three separate playing sites. However, a motion that the Board reconsider this decision passed at the meeting of the Board of Governors so we will revisit this decision in the spring.

A regional and sectional allocation committee studied the way tournaments are scheduled and what is done in the case of a conflict. The biggest change is the establishment of an arbitration board to rule on the conflicts. For complete details please check this report on the website.

The Committee that has been studying the Grand National Teams and the North American Pairs has come up with residence criteria for playing in the two events. For the GNT a member's principal physical residence as of September 1st of the year prior to the National Finals shall establish the District in which the member is eligible to participate. For the NAP the date will be June 1st of the prior year. Entering the event is a statement that you are eligible in that District and violation is subject to penalties. A Credentials Committee will rule on all disputes. If a player wishes an exception he must start the process no fewer than 60 days before the start of the club level games. For Flight A and the Championship Flight the player must seek permission in writing from the District Directors in both Districts. Both must agree or it can't be done. The permission of both District Directors will be forwarded to the Credentials Committee for final approval.

The Mini Spingold will run no longer than 5 days.

At local host option, regional fast open pair events at NABCs may be 24, 26 or 27 boards.

Discussion of ACBL World Junior Camp was deferred to spring.

From January 1 to June 30, ACBL will have an amnesty period. People whose membership has lapsed can retrieve lost points by paying their dues during that time.

Except for charity events or events limited to players with fewer than 20 Masterpoints, sectionals will charge at least an additional \$1.00 and regionals will charge at least an additional \$2.00 per person per session for non-members and non-service paying LMs. This money will be retained by the sponsoring organization. This is now mandatory.

A motion to have a USA-Canada Friendship Trophy contested in districts on both sides of the border was tabled for more details.

Player number L248224 who was charged with playing while on ACBL suspension was expelled.

In an appeal of the findings of a Disciplinary Committee, player number L200507 was placed on 18 month's suspension and will be on probation until the end of 2009.

During the Denver NABC the Ethical Oversight Committee had a hearing regarding two ACBL members suspected of cheating in another Bridge Organization. Those players were expelled from the ACBL.

In a departure from our usual schedule, the Grand National Teams will be contested May 6-7 in Meadville PA. Look for details in the 5th Column.

To keep up with tournament flyers and results, check the District 5 website at <http://my.voyager.net/~shortsuit/>. If you have any questions email me at [shortsuit@voyager.net](mailto:shortsuit@voyager.net) or phone 440-333-2536.

## Unit 111 Happenings *by Cathy Marsteller*

**Pete Harr** has gone on to join his wife who preceded him in death. They were both known for their pleasantness & smiles at the bridge table. Our condolences also go out to **Agnes Hodge** who lost her husband. Another loss is **Jackie Zarnick** who died on November 10. Our sympathy goes to all their families, friends, & partners.

The latest rank changes include the following:

**Brad Sevcik** to club master & **Kalina Braun** to regional master. Congrats to you both!

Speaking of congratulations – **Herb Thomas** & **Doris Resatka** are engaged & a wedding is planned for February. They are currently spending the winter in San Diego.

**Linda Williams**, living in Troy Michigan, used to play years ago at the Warren Club with her dad – **Jack Young**. While living away she has amassed enough points to become a bronze life master! Congrats to her & her mom **Barb Young** who still plays in Warren!

I thought I was going to play against a celebrity on a Monday evening at Ann's game. I heard Stayman was playing. I soon discovered it was **Stayman Redfong**, who is a newer player. Good luck to you, **Stayman** –

with a name like that you can't go wrong in bridge.

The STaC games were held & our unit did well again.

2nd overall was **Donna Guerra & Cathy Marsteller**.

6/7 were **Robert Carrol & Agnes Heard** tied with **Marilyn Entzi & Lynn Rafferty**. The former pair was also 1st overall in C & B.

Speaking of winners – The **Colemans** were at the Myrtle Beach Regional & won about 29 points – mostly in the KOs.

In November, at the Solon tournament, a winning partnership was established in the Swiss team. **Brad Sevcik & Robert Carroll** teamed with **John Jacobs & Bill Griffiths** and they won!! In fact Brad was asked to write about a hand for the Plain Dealer bridge column. This was done & was very well written & thought provoking. Way to go, fellas!!

Speaking of **John & Bill** – not only are they good at bridge, but they are also good at business. Their new pizza store has opened on the corner of Racoon & Kirk. They have a Papa Murphy franchise. You pick up your freshly made pizza to order & bake it at

## Tri-County Themes *by Alex Bealles*

Since this is the first issue of 2006, it would be remiss not to mention all the wonderful Christmas parties that Unit 229 held last year. In New Castle, **Margaret Hempel** hosted a wonderful party with lots of homemade food. Gifts were exchanged and everyone had a great time. In Ellwood City, the club treated everybody to an excellent buffet dinner at a local restaurant. In Butler, **Jean Brackett** and **Patsy Bachman** did beautiful decorations and the players all brought great food and punch.

Of course, no mention of Christmas parties would be complete without mentioning our

Unit game. Organized this year by **Jane Crowley**, it was held at the Connequenessing Country Club and was terrific. In addition it was also a STaC game. The overall winners that night were **Helga** and **Herb Wolstoncroft**, with **Mary Paulone Carns** and **Gail Carns** finishing first E-W. For the week, **Alan Martin** and **Nick Tredennick** led Unit 229 with several overall finishes.

The Unit 229 officers and board of directors for 2006 were also voted on at the Unit Christmas party. **Kay Amalia**, the nominating committee chairperson, submitted the following slate, which was unanimously approved:

---

**Officers:**

George Cross	President
Jane Crowley	Vice President
Evelyn Betke (Bee)	Secretary
Ruth Nelson	Treasurer
Alex Bealles	Tournament Coordinator

**Board Members:**

Mary Lou Ford	2 yr. term
June Winkle	2 yr. term
Lorraine Worsley	1 yr. term
Jean Brackett	1 yr. term
Helen Brydon	2 yr. term
Kay Amalia	2 yr. term

Note to any of my regular partners: please skip this paragraph. Bridge is a funny game. Sometimes every decision I make works out poorly, but in hindsight, I would make the same ones again in the same situ-

ations. On the other hand, the other night I kept doing wild things that I knew were wrong as I was doing them and they all worked out. For example, I balanced at the two level in a four card suit headed by the ten and caught partner with 5 cards to the A-Q. On another hand I opened two hearts with five, J 10 9 8 x, in third seat. Partner had AKxx and we successfully pushed the opponents too high in their spade fit. On a third hand, I opened 1 NT with a singleton king. It was a 16 count 3-1-4-5 hand on which I could neither figure out which minor to open nor what to re-bid after my partner responded in a major suit. As it turned out, only one other pair got to the 3 NT game. I guess the bridge Gods were making up for all the times I got fixed last year. I'm just afraid that I used up all my good luck in one session. Until next time, mjbalex@aol.com.

## Pittsburgh Potpourri

*by Mary Ann McNeirney*

It is New Year's Day and I'm hoping that by the time I finish this article, the Steelers will have earned a playoff spot and the chance to reach the Super Bowl in Detroit. Ironically, it will be the Detroit Lions who will determine if my hope is a reality. As I write, the score is tied at 14. On paper, the Steelers are the superior team, but as **Chuck Noll** used to constantly remind us: on any given Sunday, any team can beat any other. As bridge players, we know that skill is only one of the factors in victory. Chance matters. Often the worse bids make the best boards, and mistakes in defense or play can produce the greatest number of match-points. I was involved in two such instances at club games this month and was justly accused of being lucky (truly a rarity in my bridge life). In the first, I intended to bid 4 diamonds, but pulled out the 4 heart card instead. I got doubled by the player in the balance seat.

The double was passed by me, as I hoped the opponent might bid. He did not, but my partner, despite having three hearts, bid his seven card spade suit. He was promptly

doubled and went down three doubled. When the traveller was opened, we discovered we had earned a top, because six or seven hearts was played at every other table successfully. Of course, when my hand was tabled with no hearts, the opponents were most unhappy. In the other instance, I thought I had led the Ace of Spades from my holding of AKQ tight against a four heart contract, when I actually led the two of diamonds from my 32 holding. It was the only lead to set the contract, and again we gained a top. The opponents were indeed fixed in both examples. I am not proud of either play, and unfortunately they provide proof of why I will never be a top player even though I must compete in the A flights because I have over 3000 points (perfect attendance helped).

The Steelers are now leading 35 to 21 in the third, but it is not a comfortable margin. I am still only hoping. Look at our advertisement for our March Sectional – that I'm comfortable about. VINCIE is in charge. This means it will be ORGANIZED, RICHLY HOSPITABLE, AND GREAT FUN. It

is a new site, as you see, but it has great advantages: wonderful lighting, lots of parking space, handicap accessibility, spacious playing area, and attractive restrooms. We hope you all come and enjoy our week-end party. We will do all we can to make your trip here a wonderful adventure.

The November sectional was an outstanding success, despite the reality of a really crowded playing space. The players who stayed at the Holiday Inn had nothing but praise for the accommodations. The hospitality was fantastic, generous and varied, according to the attendees. There were also many newcomers attending their first sectional. This was mainly due to the efforts of **Darlene Mannheimer**, who publicized the event at her novice classes and games and urged these newcomers to try their skill and earn some silver points. 16 of them came and these six gained their first silver: **Fran Rubin, Harvey Notarius, Kay Klink, Ursula Pappas, and Barbara and Ethan Stroh**. We are proud of all the newcomers in attendance and also extend our congratulations to the seasoned players: **Asim Ulke** and **Connie Hoehstetter**, who ranked one and two in the sectional Masterpoint Race. We also congratulate these ten players who gained the most points in the December STaC games: 1. **Gail Carns**, 2. **William**

**Holt**, 3. **Mary Carns**, 4. **Jimmy Klein**, 5. **Judy Haffner**, 6. **Bob Quinlan**, 7. **Bruce Keidan**, 8. **Gail Hastings**, 9. **Harold Haffner**, 10. **Sharon Rohr**.

The Steelers made the playoffs! It is now my hope we make it to the Super Bowl and earn our first ring of the 21st century. Our 2006 bridge board is of championship caliber. The officers: President **Sandra Schuchert**, Vice President **Lou Joseph**, Secretary **Mary Carns**, and Treasurer **Ivan Port**. The remaining Board members : **Don Averbach, Francine Feldman, Ron Franck, John Gillette, William Holt, Ward Kelsey, Mary Anne McNeirney, Darlene Mannheimer, Marilyn Painte, Arlene Port, and Vincie Simak**. The new members: **Charlene Benedict, Mary Carns, Mary Jo Johnson, and Asim Ulke**. **Bill Holt** is our Webmaster; **Arlene Port** and **Lou Joseph** are POST MORTEM editors. **Mary Carns** is our Unit and Club Coordinator, and I do our Hot line (412 683 GAME). The Board has already inaugurated new procedures for the unit game and is working hard to make our unit outstanding. We welcome any help. We wish all of the bridge playing community health, happiness, and a marvelous year of fun at the bridge tables.
